

Hello Everybody

Firework's Night

Following the success of the Bonfire evening last week, the Management Committee wanted to come back to you to highlight that the members who spent their valued and appreciated time organising it have since followed this up with clearing up the aftermath debris - along with other unpleasant debris on the beach for which, please note we were not responsible.

We haven't taken the complaints lightly, **but** we haven't replied to the numerous messages on "We Love Pagham" as we thought this would simply not help the situation and have just got on with clearing this problem to make it a better environment as best we could to.

What we have learnt from this situation is that, in the future, we need to ask for as many members to put their names forward before the event to help out the following day to help clear any possible debris that we may create. The lesson has been learned, and we are grateful Kevin M and Dave who also took on clearing the debris on two occasions as well as spending their working time making the event happen. Obviously, two is not enough and we will need much more help in the future!

Remember, we will be coming to you to make it happen again.

AGM

Another reminder about the AGM from Hon Sec to be held on Sunday 30th November morning starting at 10.30am. If you haven't been to an AGM at the Club before, please be warned that the doors will be shut at 10.30am and no one will be allowed in after that time as the membership attendance list will be closed.

Hopefully, if you are a **FULL** member, you will have received your paperwork for the meeting by email, including the Proxy Form for voting if you cannot attend the meeting. If you are a Social member and haven't received this paperwork, there is a copy on our website which can be downloaded.

Any Proxy votes from **FULL** members must be sent to Hon Sec in a sealed envelope by 10.30am on Friday 28th November, signed with your membership number and with only your vote in the envelope. They can be left in the post box at the entrance to the Club, behind the Bar or handed personally to the Hon Sec before 10.30am on this date.

The Hon Sec, Commodore and Management Committee look forward to seeing you at the AGM.

Meal Raffle

Another enjoyable Sunday afternoon spent in the Club with members trying to win enough sumptuous goodies for their evening meals before the singer James Austin distracted them. Did you win the fajita kit with diced chicken breasts, mixed peppers and onion? Or the large Pork joint with potatoes, parsnips and brussels sprouts.... or whole Piri Piri Spatchcock Chicken with herby new potatoes and a large salad? No?

Well, I'm so very pleased to tell you that one of our winners was the Grout family who had just returned from several weeks up near Inverness where they had been staying in hotel accommodations to be near their son, Tom - who many of you will remember from his time with us helping us out on the Sailing section. They have just returned overnight with Tom to be back at their home for him to carry on his recovery from a sudden and unforeseen heart issue. Tom has been very fit and has been enjoying his life teaching skiing and sailing until recently when this problem happened. Great to see all of them back with us! Sorry about that Tom - but we know you can get back to those slopes soon.

This week there were 8 prizes so, don't forget that Carole posts what you can win on the WhatsApp for the Social and General for you to have a look at and see what you are missing. The tickets can be from £1 for a strip of one (5 ticket numbers) to whatever you would like to buy. Couldn't get much better than that as all profits go to buy something that will enhance the way the Club treats the entertainment and the life of the Club members.

On Sunday 30th after the AGM there will be no raffle, due to other commitments with Carole and Jill.
