

Hello Everybody

Massive thanks to each and everyone of you that gave your time to make the club a better place for our members.

Work Party

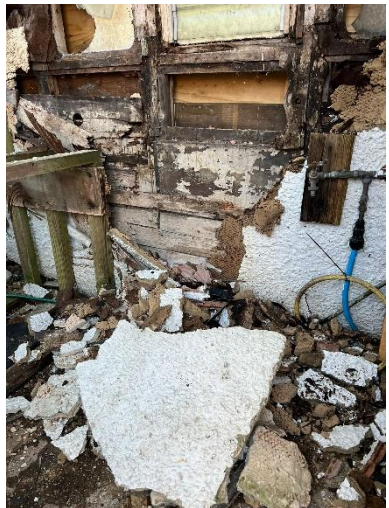

As the Commodore stated: volunteering is one of the basis that this club works on, so please join in to help improve your club.

Saturday saw the sunshine on thirty-three volunteers including members, friends, and family, all working hard to knock through a wall, clear rubble, move barrels, clear the back bar, and make good the surrounding pathways and road following the damage caused the storm. And not forgetting those who kept everyone fed and watered with copious hot brews and bacon and sausage butties.

Well done to everyone involved but a special mention to John, Mark, Ric, Stuart and of course our own plumbing commodore Rocky.

A request for assistance. There are at least 25 bags of rubble and 2 jumbo bags of wood that need to be cleared. If anybody feels like a trip to the council recycling centre let us know and we can help you load up your car.

Here are a few before and after photos, where you can appreciate the hard work that went into repairing the crumbling wall. Those guys worked all day, resulting in fully insulated, cladded wall.

Sailing Events

Prize giving at 7.30pm on Saturday the 31st of January 2026.

The Big Sort Out

It's never too early for a Spring Clean. Well done to Garry & Lizzie for deep cleaning the galley – in time for Burns Night.

And thanks to Tracy R and the Brass Monkeys for taking down Christmas decorations - in time for Twelfth Night.
